**A PLUCKY WOMAN**  
 And What She Was Able to  
 Accomplish.  
 Has a Remarkable Experience.

She Was a Hard-Working Person, and This  
 Will Interest All Workers.

All kinds of diseases and weaknesses  
 leave their marks on the system. It is very  
 easy for the stomach, liver, bowels and  
 kidneys to become deranged, and when  
 they do the person soon feels tired, lan-  
 guid, weak, low-spirited and gloomy.  
 The nervous system becomes weak, and  
 paralysis may follow. The blood gets  
 bad, there is coated tongue, bad taste in  
 mouth, constipation, the complexion grows  
 sallow and life looks dark. All persons  
 complaining of any of these troubles will  
 read with wonder the following letter from  
 Mrs. Kate Austin, 60 Jenny Lind ave.,  
 Somerville, Mass. She says:

"I had a pain in my side for seventeen  
 years. I also suffered with terrible back  
 ache and headache—such an awful head-  
 ache—and I had not a bit of appetite. I  
 cried with pain from my head to my feet,  
 and was as pale as a ghost. I was terribly  
 nervous. I could not sleep for a long time,  
 and had rheumatism in my shoulder and  
 arm. I suffered everything; nobody but  
 God knows how I suffered. I weighed 125  
 pounds. A friend recommended Dr.  
 Greene's Nervura blood and nerve remedy,  
 and I commenced to take it. I was so  
 weak and run down that the first bottle  
 did not do me much good; but I kept on,  
 and the second bottle did me good, and I  
 began to gain. After taking the Nervura  
 never had a pain in my side, nor any  
 headache, and I sleep well and have a good  
 appetite. I don't believe there is any medi-  
 cine in the world so good as Dr. Greene's  
 Nervura. It did me good right off, and I  
 have had no return of my wretched trouble.  
 I had rheumatism, but since taking Nervura  
 that has disappeared. I feel strong, and  
 last summer was able to do the work for  
 fourteen in a family and I weighed 135  
 pounds. I was so weak before; nobody  
 knows how I worked; but I had to work  
 for my children. I sent two bottles to my  
 brother in Nova Scotia, and it did him lots  
 of good. I recommend Dr. Greene's Nervura  
 to everyone."  
 If you have any of these complaints, or  
 for any reason don't feel just as well as  
 you want to, take Dr. Greene's Nervura  
 blood and nerve remedy, and you will be  
 made well and strong. It positively cures  
 all such complaints.  
 All physicians recommend it, as it is the  
 successful specialist in curing nervous and  
 chronic diseases. Dr. Greene, of 301 Fifth  
 ave., New York City. He can be consulted  
 free, personally or by letter.

Recommended and for sale by all  
 druggists.

 Skiff With Six Persons Capsizes

**JEFF LONG'S HEROIC WORK.**  
 Seeing Accident From Quincy  
 Waterworks, He Rows to  
 the Scene in Time to  
 Save Lives.

REPUBLIC SPECIAL.  
 Quincy, Ill., March 23.—A skiff bearing  
 two men, two women and two young chil-  
 dren capsized this afternoon in the Mis-  
 sissippi river opposite this place, but, owing  
 to the quick efforts of one man, five of  
 the persons were rescued. The other was  
 drowned.

The persons in the boat were Frank  
 Metz, Mrs. Metz and their daughter,  
 Abraham C. Lewis and his daughter and  
 Mrs. Mary Davis. Mrs. Metz, aged 21  
 years, was drowned.

Jeff Long, of the city waterworks, is the  
 hero of the affair. Early in the after-  
 noon he was sitting at his station look-  
 ing out over the river, when he saw the  
 party embark on the Missouri side, where  
 all of them lived.

He happened to have a spyglass in his  
 hand, and from curiosity leveled it at  
 the boat. He watched it make its way  
 toward the Illinois side landing in a leisurely  
 manner.

When the skiff was about the middle of  
 the river and in the strongest current of  
 the swollen stream, Long saw the boat  
 beaten by the waves occasioned by the  
 high wind, and immediately began to pay  
 out rope from the shore.

The heavy load caused the slight craft  
 to sit deep in the water, and the women  
 and children were panic-stricken at the  
 unlooked-for movements.

Long, who was watching, saw the boat  
 turn completely over, and its occupants  
 were thrown into the water.

In an instant he was in his own skiff,  
 and, alone, rowed to the middle of the  
 river. He saw the boat overturned, and  
 when Long reached the boat he found one  
 of the men—he cannot remember  
 which—holding his head above the water.

He was almost exhausted and nearly  
 unable to let go, and with the child  
 clinging to him, Long pulled him in. The  
 other man was trying to support one  
 of the women and the other child. He  
 was in good health, and a few minutes  
 were rescued just in time to save their  
 lives.

The second woman, who was Mrs. Metz,  
 had disappeared, and was drowned. None  
 of the persons in the boat remained. Long  
 was the only one who had not been  
 excited by the event.

Long's boat was rowed to the Illinois  
 shore, where the men and women were  
 being unconscious. Several persons were  
 at the river's brink, and they helped him  
 to land and rescue his passengers.

The five persons were afterwards sent to  
 St. Mary's Hospital, and all of them are  
 in good health. A search will be  
 made for the body of Mrs. Metz to-morrow  
 morning.

**FAVOR EARLY CLOSING.**  
 Protest Against Attempt to Re-  
 volve 1 O'Clock Order.

The meeting of saloonkeepers called by  
 J. J. Bauer, manager of the Concordia  
 Turner Hall, for Tuesday evening, and  
 Tuesday night, to protest against the  
 order closing saloons at 1 o'clock on Sun-  
 day morning resulted in a small gathering,  
 but it brought out a strong protest against  
 any effort to revoke the present order by  
 Charles Schuchardt, of the National  
 Association of Saloonkeepers, who made a  
 strong endorsement by him on behalf of  
 that organization in favor of the order.

J. J. Bauer, who presided, explained the  
 order and explained the hardships that  
 have arisen, especially to the saloon-  
 keepers, who are being forced to close  
 their establishments at 1 o'clock.

**PLUMBERS STRIKE**  
**AT FAR TO-DAY.**  
 Sixteen Painters Return to Work  
 as Result of President Fran-  
 cis's Appeals to Them.

One hundred and ten plumbers employed  
 on the World's Fair grounds will go on  
 strike to-day. They are all in the employ  
 of the Hanley-Cassey Plumbing Company,  
 which has the Exposition contracts for  
 plumbing work. The men are striking for  
 increase in wages from \$5 to \$6 per day.

The strike, if it is declared according  
 to promise, is the result of unsuccessful  
 efforts of the men to obtain the increased  
 wage. Following a final attempt to have  
 the wage scale raised to \$6 a day, the  
 leaders of the plumbers yesterday notified  
 the company that they would walk out to-  
 day.

While all the plumbing of the World's  
 Fair proper is completed, there remains a  
 great quantity of important work to be  
 done in the State and concession struc-  
 tures, and in connection with the exhibit  
 buildings in the various palaces. This con-  
 sists of the finishing work, such as sup-  
 plying the fixtures and the rough connect-  
 ions have been made.

Sixteen of the striking plumbers at the  
 World's Fair grounds returned to work  
 yesterday as a result of an appeal made  
 to them personally by President Francis  
 to reconsider their agreement and return  
 to work.

President Francis's address to the  
 strikers has not been a pleasant affair. It  
 occurred shortly before noon yesterday  
 during the course of his drive of inspec-  
 tion of the grounds. In his station  
 wagon, some sixty of the striking plum-  
 bers had assembled in front of the Manu-  
 facturing Building yesterday morning, and  
 one of the plumbers seeing President  
 Francis approaching asked him to ad-  
 dress the men.

Standing up in the carriage the Ex-  
 position President addressed the strikers  
 as union men. Several voices cor-  
 rected him, saying, "We are individuals."  
 "But you hold yourselves as union men,"  
 Francis said, "and if you seek work at your  
 trade you must show your union card."  
 "If you hold yourselves as union men,"  
 he said, "you must show your union card."  
 If you insist upon repudiating your agree-  
 ment to return to work and lack the sense  
 or honor or duty to impel you to do so,  
 we will simply not wait the exteriors of  
 the World's Fair buildings. Your failure  
 to return to work will not delay the open-  
 ing of this World's Fair one fraction of  
 a minute, and it is a splendid thing that  
 the Exposition lack a coat of fresh paint  
 will tell the world that it is because  
 of strikers of this city refused to paint  
 them."
